

BECOME A HOUSING HOST

Please consider becoming a Housing Host for a Foothill Theatre Company Artist.

Each year, many generous individuals in our community make it possible for the Foothill Theatre Company to produce quality professional theatre by housing the many talented visiting artists that come to work with us.

Without our Housing Hosts, we could not continue to produce the level of high-quality theatre our patrons expect.

In a typical year, we bring over forty visiting artists from all over the country for stays anywhere from a few days to several weeks – if you have even 2-3 weeks available, this is an enormous help! Artists require only a private room and kitchen/bathroom access. Hosts naturally receive complimentary ticket to our productions and invitation to attend rehearsals and other special events. More importantly, many of our hosts have developed lifelong friendships with their visiting artist. If you have a guesthouse, cottage, apartment or a spare room, please consider becoming a Housing Host.

These are the remaining dates needed to house artists for the 2008 season:
